Moldaw-JCC Tuesday morning Men’s hour
Proposed schedule and history

For each video link, I’ll tell you about it, then turn it on for maybe two minutes, and then invite group thoughts and comments. Hopefully, some of you will have looked it over in advance and have prepared thoughtful comments.

You are welcome to bring in links of your own. You introduce a link. I can turn it on for a few minutes (starting from your predetermined best jump-in point). Then we’ll invite group thoughts and comments. If your link is text, you can talk about it and read a few minutes of it.

I see no advertisements on Youtube because I pay Apple $15/month to strip them out. I suppose Youtube offers a similar service.
