Geometry of salt
- top
- base
- directionality
- sutures

Geometry of sediments
- above/near salt
- subsalt

Rock Physics

Reservoir geometries
A geoscience technology model is depicted in a 3D diagram. The model appears to represent geological formations, possibly related to the Ouachita region, as indicated by the text. The diagram includes a compass orientation (N, E) and a note indicating the rendering time as 6 ms (fps: 2.5 / 143.74).
